Pflugerville, Estados Unidos

Profile

I am a creative and detail-oriented Motion Graphic Animator with a proven track record of success and client satisfaction in creating original animations and visual effects. I am specialized in creating cutting-edge content for the most popular digital and standard platforms. I can help you achieve your goals through an audiovisual message that converts.

Employment History

Motion Graphic Designer, Freelancer

09/2016–Present

I have worked with different clients and projects. I have developed and produced animation content for commercials, promotional videos, concept animations, content for digital platforms, and much more. I've worked with creative teams to develop ideas and concepts, and I've worked with animation and video editing programs to produce quality content. I have also worked with production teams to coordinate projects from development to delivery. In all my projects, I have worked to ensure that the delivered content meets quality standards and client requirements.

Marketing and Design Manager at Leynel Graphics, Maracaibo

03/2014–07/2015

Developing strategies to reach new customers through promotion and sales platforms such as Mercado Libre, Social Networks, and Mailing. Also supervising the Department of Design and Art.

Motion Graphics Designer at Sobre La Roca Producciones, Barquisimeto

01/2009–07/2010

Here I have worked in the pre-production, production and post-production of audiovisual projects such as Local TV Programs, Advertising Spots, Audiovisual Microphones, and Visual Effects. Video editing and animation to produce quality content. I have worked with creative teams to develop ideas and concepts. I have generated creative solutions for the technical and creative challenges that arise during the production of an audiovisual project.
